November 27, 2023

Dear 11<sup>th</sup> Grade Counselor,

**The American Legion 2024 MD Boys State Program** will be held at **McDaniel College**, Westminster, Maryland from **June 16 – 22, 2024 (date and location are subject to change)**. Our program is a Nationally recognized program in leadership, government, and political sciences. Tuition for the program for accepted Boys is fully funded by The American Legion, Department of Maryland Posts and sponsors. We ask that the school counselors make distribution as appropriate of the flyers attached.

**Please consider sending this information to Social Science Departments, Student Government Associations, NHS, JROTC, and other areas interested in leadership, governance, and political studies.**

**The application process is online at [www.mdlegion.org/boysstate](http://www.mdlegion.org/boysstate) and may be accessed at any time starting in early November 2023. Any student that may be interested should fill out Boys State application completely on-line. Please feel free to duplicate the flyers or send electronically to parents and students. The schools may also contact us for additional copies of the Flyer. The electronic version can be found at [www.mdlegion.org/boysstate](http://www.mdlegion.org/boysstate). There is a sheet that the young men will print to get Guidance Counselor recommendation (also attached), which they can upload once signed. The local American Legion Posts are still the sponsors for this program, and the students should contact their local American Legion Post to arrange funding. If there is no local American Legion Post, send the completed application to Department Headquarters, 101 N. Gay Street, Room E, Baltimore, Maryland 21202. For questions concerning the program call 410-752-3104. For additional information contact The American Legion, Department of MD at [boysstate@mdlegion.org](mailto:boysstate@mdlegion.org) or at 410-752-1405.**

The program's aim is to expose current high school juniors to the United States Constitutional form of government. The program will emphasize the necessity of their future active participation as a citizen in the government process to insure continuing freedoms and rights.

The experienced instructors at Boys State offer the students an opportunity of a lifetime to immerse themselves into the creation of a government among equal citizens selected from the finest young men in MD high schools. The challenge to create a functioning City and State government allows the young men to focus their talents in areas seldom explored in a normal classroom environment.

Presenters include politicians and elected leaders from the local and State levels of government, and many special interest topics to young adults. Highlights of the week include a trip to the State Emergency Management Agency, sports, and political simulations, along with City, State, and National elections, where 2 young men earn the right to represent MD at Boys Nation in Washington, DC.

The events this year will feature our General Assembly simulation program. This unique program explores the differences between the State Constitution of Maryland and the Federal Constitution, with written source material spotlighting issues of current legislation pending before Congress and the previous State Legislative sessions.

The students are required to work as a team under close supervision. The students are encouraged to produce and create on their own initiative within their assigned political parties as potential leaders and candidates for future elective public office. We consider this a week of learning and group participation. The experiences gained at Boys State stay with the student their whole life.

Enclosed is a handbook from a previous year's program for your reference. A sample handbook and more resources are located at our website [www.mdlegion.org/boysstate](http://www.mdlegion.org/boysstate).

The need to obtain a college education to compete in the modern world with changing technologies is emphasized by our guest speakers. Boys State is an excellent addition to any college application and is a highly coveted entry on applications to Service Academies.

Attendees at MD Boys State have 2 exciting opportunities offered by McDaniel College. For a small fee (rate for 2024 to be determined) any graduate of MD Boys State can receive 2 College Credits for the week from McDaniel College by completing a few requirements in addition to full attendance and participation at MD Boys State. Also, McDaniel College is offering MD Boys State 2024 graduates that are accepted and enroll in McDaniel for the Fall 2025 semester \$10,000 per year (\$40,000) for four years in scholarship funds. See the attached flyer for more information.

Boys who attend in 2024 and meet the requirements may apply for the Samsung Scholarship grant, which last year amounted to \$1,100 for our State winner. There is an opportunity to receive up to \$20,000 in the Samsung Scholarship if selected as the National winner. More information and the application can be found at [www.legion.org/scholarships/samsung](http://www.legion.org/scholarships/samsung). The 2023 application is available now for completion at <http://www.legion.org/samsung-scholarship-application>, Note: Please remind students that only COMPLETE ONLINE SUBMISSIONS will be considered, so plan early and make sure the required school official certification form is completed before the end of the school year. Please advise your students that proof of military eligibility by their parents, grandparents, great grandparents or legally adopted parent who served during a period of war is required for the Samsung Scholarship. If the applicant needs to obtain a copy of the veteran's DD Form 214 or proof of service go to the website [www.NARA.gov](http://www.NARA.gov).

Additionally, the MD Boys State program offers opportunity for MD Boys State 2024 graduates to apply for the Robert O. Allen Memorial Scholarships. This scholarship is for \$500.00 and is awarded in June of 2025 to 10 applicants from the 2023 MD Boys State graduating citizens. The application will be available on the MD Boys State website in August 2024.

Posts and districts usually conduct orientations for those selected to attend in the May to early June timeframe, so submission should give sufficient time to process and fund the tuition at the Post for submission to Department Headquarters.

Completed Boys State Application must be received at The American Legion, Department of Maryland Headquarters no later than May 1, 2024.

Sincerely,

Russell W. Myers, Jr, Director

## 2024 MD Boys State Agreement of Financial Responsibility in Case of Late Cancellation

MD Boys State is funded by donations from Local Posts and private donors that support our mission of educating future leaders in our community, State, and Nation. In recent years the number of students who cancel their registration for attendance at MD Boys State has increased dramatically. We believe part of this is apathy on the part of the parents and students in notifying us, as there is no cost to the family for a late cancellation. As we do not charge attendees tuition for attendance, and we do not want to establish a deposit system, as this could deter those unable to afford the deposit from attending and is contrary to our mission. We have therefor determined that an agreement between the parents of the applicants and The American Legion, Department of Maryland, Inc. is required to assure timely cancellations, and to reduce fees paid to our host institution for no-shows. This policy shall be enforced by the sponsoring Post or the Department as appropriate in the case of a late cancellation.

**This form must be signed by a parent or guardian that assumes the financial obligation for the full tuition (\$425.00) for a cancellation occurring within 30 days of the start date of MD Boys State. The form must be uploaded to the CampDoc site as part of the completed application.**

This agreement is to confirm that \_\_\_\_\_ (*printed name*) is an applicant to attend MD Boys State for the 2024 session from June 16-22, 2024.

\_\_\_\_\_ (parent initials) I understand full attendance for the entire period is required.

\_\_\_\_\_ (parent initials) I further understand that cancellations for non-emergency reasons must be done in writing not later than 30 days before the start date of MD Boys State 2024, or May 17, 2024

\_\_\_\_\_ (parent initials) I further understand I will be held financially responsible for the reimbursement of tuition of \$425.00 in the event that I fail to cancel my son's registration for MD Boys State by the deadline of May 17 2024. Documented emergency reasons are exempted from this requirement.

\_\_\_\_\_ (parent initials) Emergency reasons are herein defined as: 1. Physician verified injury or illness of student sustained after the 30 day cancellation deadline, 2. Serious illness or injury to an immediate family member, verified by physician, 3. Hurricane or natural disaster strikes at McDaniel College or at the home of student, 4. Government Restrictions, Terrorism or mandatory evacuation at McDaniel College or at the home of student, 5. Home of student damaged, vandalized, or burglarized; verified by police report, 6. Required court appearance, verified by official documents, 7. Student is a victim of felonious assault prior to session, verified by police report, 8. Student in a serious traffic accident prior to session, verified by police or insurance report, 9. County School Board voted on school year extension affecting the student's school

I hereby certify that I assume full responsibility for reimbursement of tuition of \$425.00 in the event that I fail to cancel my son's registration for MD Boys State by the deadline of May 17, 2024. Documented emergency reasons are exempted from this requirement.

Should you require any further information regarding this matter, do not hesitate to contact me.

WHAT OUR PARENTS AND STUDENTS SAY ABOUT MD BOYS STATE...

**KYLE HAYWARD - 2017 (HARFORD TECH HIGH SCHOOL CLASS OF 2018)**

I would like to thank Boys State for such an empowering week. The counselors were great mentors especially (Flag City). I made new friends and learned important lessons. It was a hard week but a life changing week. I would like to thank the American Legion for all their hard work and contributions. I have come away with new tools to help me continue on my life's journey.

**MATTHEW GEIGER - 2019 (SOUTH CARROLL HIGH SCHOOL CLASS OF 2018)**

For many individuals, Boys State was a way for them to learn about civics and government. For me, however, I learned how to be productive. You have five full days to elect a dozen-plus positions, participate in those roles, and still find time to sleep and eat. As soon as I got back home, I applied that mentality (besides the sleeping and eating part) to my daily life, and I've been much more productive. I'm working every day to better myself and those in my community; it's become my fixation.

I thank Boys State for that; they've showed me that if you really, really, want something, you can get it. There is absolutely nothing out of reach in your life if you work for it.

**MISSY SHEPPARD BAJADEK - PARENT OF SEAN BAJADEK (2019)  
(MOUNT ST JOSEPH HIGH SCHOOL CLASS OF 2020)**

A simple "thank you" somehow seems inadequate to express the gratitude my husband and I have for the staff at Maryland Boys State 2019- You are all amazing and the impact you had on the boys is tangible. Thank you for sharing your time and talent...it is truly appreciated!!!

# Testimonials and Famous Alumni

The summer of 1963...was one of the most formative in my life. I was seriously considering a life in public service at the time I attended Boys State a program sponsored by The American Legion....

Boys State and Boys Nation helped to teach me from a young age that democracy requires us to get off the sidelines and into the arena. Imperfect as it may be we can't take this system of ours for granted and if we want to make it better and make a difference in peoples lives we need to stand up, show up, and speak up day after day, and year after year.
